

Monroe Junior Dragons Sports Program Application for Scholarship

Athletic Scholarships may only be requested for athletes participating in the ongoing sports season signup. Athletes receiving a scholarship must agree to the following stipulations:

1. The athlete receiving the scholarship will complete, in its entirety, the sports season for which the scholarship was granted. Failure to complete the sports season will make the student ineligible for any future financial assistance through the program.
2. The student athlete will be eligible for one scholarship per academic year, unless special circumstances exist.
